

Congratulations to BISM Baltimore Production Planner Arhea Lazzelle for being awarded the GOJO 2020 Outstanding Service Award! GOJO-Purell Government Sales Manager Kevin Hayes visited our Baltimore headquarters on March 1, 2021 to present Arhea with a plaque and gift card. Arhea was one of only five people across the country to receive this award from GOJO! BISM Baltimore fills bottles of Purell Healthy Soap and other soap varieties, plus assembles the corresponding dispensers, for sale within the State of Maryland. Great job, Arhea!
