Follow BISM with Associate Resource Portal and Internal Emails

Keep up-to-date with all things BISM with the BISM Associate Resource Portal, an online internal site for all associates. The Associate Resource Portal features important HR-related information and forms, plus current job postings. The link to the BISM Associate Resource Portal is www.bism.org/associate and is updated on a regular basis.

We also offer the opportunity for associates, who do not have a bism.org email address, to provide BISM with their personal email address. These associates will receive relevant internal BISM emails sent to "Everybody." Email addresses will be kept confidential and will only be used to share information about BISM. Associates interested in signing up for this optional email service can submit their email addresses to Rob Ennamorato at rennamorato@bism.org or to their supervisor.
